3. POINT OF ORDER REGARDING PRIVILAGES OF MEMBERS

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I rise on a question of privilege of this House and the question of privilege that I propose to raise under very stressing and painful circumstances is this. That in this 23rd or 24th year of the life of this Council, from the first time in its history Sir, to day, on the 1st of Thulam 1123, we see Sir, this Sacred House where we have the wisdom of forum to ventilate the grievances of the Public which is the forum to right the wrongs knowingly or even deliberately committed by the Government of the day, whether national or wooden, that is to say, in this House to-day on the 23rd year of its life, I find it guarded by the police, as many as 2 dozen and more on this side of the gate and 2 dozen or more on the other side of the gate and they are men mounted—not moun ed what are they called—not armed that is something which is by the side of the Commissioner's Office with gun and all that the armed police walking, parading, having up and down marches as if the persons who are here may run away or persons who are here may be attacked by the revolutionary inflamed and marauding citizens of Cochin.
